Taught by Olympians and Researchers from leading universities

Since 2010 Cheenta has evolved into a Gurukul. Our students have attended leading universities in India such as Indian Statistical Institute, Chennai Mathematical Institute, TIFR, IITs and universities abroad such as Harvard, MIT, Oxford, Edinburgh to name a few. Some of them returned as teachers for the next generation of learners. And the pursuit of excellence continues.

Contest Calendar for beautiful problem solving

Cheenta students think of Physics contests as **milestones**. The end goal of the program is to fall in love with physics and develop great problem solving skills. Milestones help us to stay in track.

Not all physics contests are equal. Here is a list of contests that are suitable and most effective at this level of learning.

Our success centre will keep you updated about registration deadlines of these contests and other opportunities

**National Standard
Examination in Physics
(NSEP)**

**Kishore Vaigyanik
Protsahan Yojana
(KVPY)**

**Indian National
